The Penobscot Marine Museum's History Conferences draw together amateur and professional scholars interested in the Penobscot Bay region. It encourages exploration of Penobscot Bay's diverse historic and cultural traditions. It also provides a forum for learning and discussion, while promoting broader perspectives and understanding of the region.

The mission of the Penobscot Marine Museum is to preserve, interpret and celebrate the maritime culture of the Penobscot Bay region and beyond through collections, education, and community engagement.
