**THANK YOU FOR
PARTICIPATING IN OUR
1ST ANNUAL
LOCAL COLOR AUCTION!**

Throughout the day, you have the opportunity to create new art, “en plein air”, at your favorite location chosen to highlight Searsport’s natural Fall beauty. Although everyone appreciates our beautiful rocky coastline and historic downtown, don’t forget some of our outstanding rural spots, such as old mills, our lakes and ponds, and rolling hills and forests in their Fall glory.

Take precaution for seasonal weather and dress appropriately. Bring your outdoor art equipment and cover for inclement weather. Be safe in your pursuit of beauty!

Proceeds from this event will benefit the Penobscot Marine Museum’s outstanding collections and year-round programs. Founded in 1936, Penobscot Marine Museum is the oldest maritime museum in Maine. Our museum celebrates and preserves the culture of the Penobscot Bay Region on a year-round basis through special events, exhibits, collections, and educational programs. Help us preserve the unique character and sense of place of the region by donating a portion of your sales.

You may choose the percentage of monies from your sale that you wish to donate to the Museum:

- 50/50
- 70% to museum; 30% for yourself
- 100% to museum

In case of inclement weather, artists may create their artwork in the Old Vestry, 1st floor.

We look forward to a sold-out auction event celebrating Searsport’s natural heritage and your artistic talents! Thank you again for your participation in making this a successful annual event during Fling into Fall!
